

First Choice Freezer & Cold Storage

Dear Customers:

The Levari Group LLC operating as FirstChoice Freezer & Cold Storage, M&O Freezer & Cold Storage and First Choice Logistics Center has implemented the following precautionary measures to protect our employees, customers and visitors to all of our locations from the spreading of coronavirus or COVID-19:

- Restricted access to The Levari Groups' facilities for anyone who has been exposed to COVID-19 or recently traveled to places on the CDC's list of "high-risk countries;"
- Monitoring of all visitors entering our building;
- Checking every one of our drivers prior to pick-up and delivery to determine if they feel bad or have a temperature before allowing them to enter a place of business;
- Education at our facilities for proper hand-washing, avoiding face touching, and other common-sense preventative practices;
- Regular cleaning of workstations and other high-touch areas throughout our building;
- Placement of hand sanitizer dispensers at exits and entryways;
- Scaling back of our business travel and any trips that can be postponed;
- Insisting that any employee stay home if he or she has a fever and/or has flu-like symptoms.

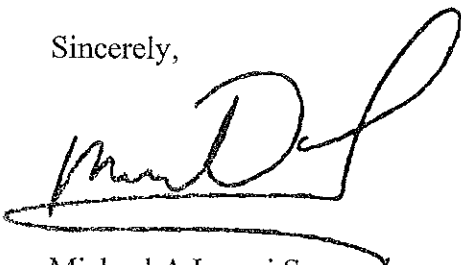

The Levari Group LLC will continue to follow SOP's to make sure we are in compliance with our regulatory agencies. We will continue to be pro-active and follow all state and local regulations.

These are just a few of the protective practices that we have put in place. For more information on how to stay healthy, you can also visit the CDC's website.

We encourage you to practice healthy habits in your own homes and workplaces, and ask that you share your ideas with us. After all, we are all in this together.

Please feel free to contact our office if you have any concerns or suggestions as we address this current period of uncertainty.

Sincerely,

Michael A Levari Sr
